A Grader Bangkok PSLE Bootcamp 2024

Meet the Teachers

Mr Jeremy Mathew possesses strong subject matter expertise in English Language and Creative Writing. He takes a motivational approach in class, prioritizing encouragement over fear and intimidation. He is also dedicated to fostering a positive learning environment which empowers students to build confidence and belief.

Mr Jeremy's tutoring approach prioritizes comprehension and breaks down complex concepts and equips his students with the necessary tools to not only understand the material, but also apply it to real world contexts.

Experience: 16 years

Ms Aveline Cheong specializes in teaching Mathematics, for more than a decade. She displays strong communication skills to interact with children across all levels. She is always engaging in her lessons and listens to her students, to address any issues they may be facing with the subject.

Ms Aveline believes that each child is unique, and her passion in teaching ignites the students' love for learning in her class. Being firm, she instills structure and discipline in the class, to ensure a conducive learning environment for effective learning to take place.

Experience: 8 years

Ms Mandy Low has extensive years of experience teaching Science in primary schools. She possesses the ability to break down complex concepts for students to better grasp them.

Ms Mandy stays true to her belief that no child should be left behind. She has taught many students over the years, helping them to reach their full potential. By using exam-focused materials and strategies for answering examination questions, she makes a dedicated effort to deliver effective lessons.

Experience: 18 years

Ms Pauline Loh specializes in teaching English and Creative Writing. Additionally, she is a registered MOE trainer. Ms Pauline loves to communicate her passion for reading and writing to children. She is always engaging in her lessons and aspires to ignite the sparks for English language in her students.

Ms Pauline is also an award-winning author. Ms Pauline's wide repertoire of language skills has benefitted her students considerably.
