A Grader Fernvale PSLE Bootcamp 2024

Meet the Teachers

Ms Terese comes with rich experience in teaching English Language. Having taught students of various levels for more than a decade, she firmly believes that teaching is more than just skills and pedagogies.

Ms Terese is a flexible, empathetic, quick-thinking and compassionate educator. She goes the extra mile in developing the tools necessary to scaffold students' learning, bearing the wish to embark on a fun and inspiring journey with them.

Experience: 12 years

Ms Aveline Cheong specializes in teaching Mathematics, for more than a decade. She displays strong communication skills to interact with children across all levels. She is always engaging in her lessons and listens to her students, to address any issues they may be facing with the subject.

Ms Aveline believes that each child is unique, and her passion in teaching ignites the students' love for learning in her class. Being firm, she instills structure and discipline in the class, to ensure a conducive learning environment for effective learning to take place.

Experience: 8 years

Ms Jess Chan has extensive years of teaching experience in Science. She has worked with students of diverse abilities, supporting them to achieve academic improvements.

Ms Jess is patient and with an amiable nature, she connects with her students easily and build their confidence to tackle complex and tricky questions. She conducts her lessons with clear and straightforward explanations, ensuring that learning reaches out to students easily and effectively.

Experience: 22 years

Mr Jeremy Mathew possesses strong subject matter expertise in English Language and Creative Writing. He takes a motivational approach in class, prioritizing encouragement over fear and intimidation. He is also dedicated to fostering a positive learning environment which empowers students to build confidence and belief.

Mr Jeremy's tutoring approach prioritizes comprehension and breaks down complex concepts and equips his students with the necessary tools to not only understand the material, but also apply it to real world contexts.

Experience: 16 years
