### Meet the Teachers

**Ms Devi K**

"Strive for progress, not perfection."

I believe in engaging my students through effective rapport building, using interesting anecdotes, and helping students see the relevance of lessons to the real world. Only by fully engaging my students, can I help them to reach their full potential.

**Experience: 17 years**

**Ms Devi G**

"Every child is gifted. They just unwrap their packages at different times."

I enjoy talking to my students about science concepts in our daily lives. To adapt to their varied needs, I give them ample time & a positive classroom environment to allow them to think critically about the problems they are presented with. This gets them interested in what they are learning!
