-

Apologising for mistakes though difficult is necessary for personal growth and improved relationships. It is unavoidable to have gotten on the nerves of one another occasionally when interacting with others. When you are (11) _____ a lot of stress, you might say something unkind or even lash out in anger at someone you care about. All of us make thoughtless mistakes (12) _____ time to time, like forgetting a promise or saying something disrespectful. It (13) _____ important to apologise when you have hurt or angered someone (14) _____ if you do not think what you have said or done is rude.

Apologising is hard (15) _____ we do not want to feel bad about ourselves. We try to have a positive image of (16) _____ which can make sincerely apologising quite hard. (17) _____, not being able to own up to our mistakes or make a sincere apology to someone when we need to can also prevent us from growing and learning from our experiences.

For (18) _____ apology to be effective, it has to be genuine. You want to convey that you truly feel sorry and care about the person who was hurt and promise to make amends (19) _____ taking steps to avoid similar mistakes going forward. It takes a lot of courage to admit that you have made a mistake (20) _____ to apologise for it. It will be scary at first, but in the long run, it can really improve your relationships with the people around you.

Each of the underlined words contains either a spelling or grammatical error.
Write the correct word in each of the boxes. (10 marks)

Ms. Lui has an incredible story to share. When she was a child, she faced
(21)
diskriminasion because she has a disability. People would bully, tease, and stare at
(22)
her because she was different. But something amaze happened. With the support of
(23)
